

2026 Quality Policy Statement

March 2026

Wajax is committed to operating our business at the highest possible standard and delivering high-quality products and services that exceed customer and stakeholder expectations.

Wajax is dedicated to Operational Excellence and enhancing customer satisfaction by:

- Undertaking all activities in accordance with quality management procedures that reflect industry best practice.
- Complying with all applicable laws, regulations, and quality standards to which we subscribe, and obtaining and maintaining all governmental approvals as may be necessary for the operation of our business.
- Working with customers and suppliers to establish and maintain the highest standard of innovative products and services.
- Providing and equipping all employees with adequate resources, training, tools and support that will enable them to work safely and maintain a high standard of workmanship.
- Strategic planning and risk mitigation.
- Periodically reviewing the effectiveness of the Quality Management System.
- Operating our business with integrity and trust.

Our objective is to promote a culture of continual improvement and adaptation of processes that will provide value and satisfaction to our stakeholders, customers, suppliers and employees.
